MEMORANDUM FOR: Deputy General Counsel

SUBJECT : Nomination for Internship in  
Congressional Operations

25X1A

1. I should like to nominate [REDACTED]  
as a candidate for the Intern Program in Congressional  
Operations beginning November this year.

2. [REDACTED] has served as Chief, Personnel Branch,  
Office of Special Activities for approximately the past  
year. During this period and the preceeding two years  
which constitute the whole of his assignment to the Office  
of Special Activities, he has performed most effectively  
and is without doubt, considered one of the outstanding  
"mid-careerists" in the Office of Special Activities.  
[REDACTED] an LLB degree from the University of  
Wisconsin and prior to his assignment to the Office of  
Special Activities he served with the Contract Personnel  
Division of the Office of Personnel for approximately five  
years. As a result of his legal academic training, his  
tenure in Personnel Contract Division and his diversified  
experience with the Office of Special Activities, he has  
become widely familiar with Agency policies, Agency philoso-  
phy and its responsibility toward career employees. It is  
believed that a year's internship in Congressional Opera-  
tions would greatly enhance [REDACTED] value to the  
Agency and would certainly offer him an opportunity to  
broaden his knowledge of the Agency and its role in the  
U.S. Government affairs to a point where he could con-  
ceivably function in a legislative capacity at some future  
time.

3. In considering [REDACTED]'s age, academic back-  
ground, Agency experience and excellent past performance,  
it is obvious that in this young man CIA has a distinct  
and valuable long-range asset. Any additional training

such as the instant intern program should prove to be invaluable not only to the individual, but to the Agency. I have been advised that you are personally acquainted with [REDACTED] capabilities and rather than prolong this recommendation I would defer to your judgment of [REDACTED] qualifications and what the Agency stands to

gain if he is selected for this highly commendable program.
